

APPEAL NO. 031709
FILED AUGUST 14, 2003

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on May 21, 2003. The hearing officer determined that the appellant's (claimant) _____, compensable injury does not extend to or include the diagnoses of left foot fracture, bone marrow edema, subchondral cyst, and degenerative changes to MP joint and that the claimant did not have disability resulting from the compensable injury. The claimant appeals these determinations. The respondent (carrier) urges affirmance

DECISION

Affirmed.

Extent of injury and disability are factual questions for the hearing officer to resolve. The hearing officer is the sole judge of the weight and credibility of the evidence. Section 410.165(a). As the finder of fact, the hearing officer resolves the conflicts in the evidence and determines what facts have been established from the evidence presented. It was the hearing officer's prerogative to believe all, part, or none of the testimony of any witness, including that of the claimant. Aetna Insurance Company v. English, 204 S.W.2d 850 (Tex. Civ. App.-Fort Worth 1947, no writ). Nothing in our review of the record indicates that the hearing officer's decision is so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

The decision and order of the hearing officer are affirmed.

The true corporate name of the insurance carrier is **ST. PAUL FIRE & MARINE INSURANCE COMPANY** and the name and address of its registered agent for service of process is

**CORPORATION SERVICE COMPANY
800 BRAZOS
AUSTIN, TEXAS 78701.**
